

DETAILS OF CONTRACTS AWARDED ON NOMINATION BASIS ----BTPS

PERIOD :MAY' 2022.							
Sl. No.	Name of the Project	Details of Work	Name of the Awardee	Type or Nature of Tenders (Single / Nomination etc.)	Brief Reason for Single Tender / Nomination etc.	Work Order No. and Date	Value of Contract Awarded
1	BTPS	Unloading of 100 numbers of coal rakes (BOBR) for indigenous/ Imported coal round the clock including Sundays & holidays in Track Hoppers of Coal Handling Plant, DVC BTPS for 3 months only on the ground of urgency basis.	M/s S P Yadav	Single(Urgency)	<p>Coal is the prime requirement to run the power plant. For unloading of coal rake, an ARC was done by BTPS. Since the coal rake unloading is very critical and labour intensive task and can't be delayed as receiving coal by rail is 24x7 work. Any delay or non performing the rake unloading after rake arrival will leads to huge demurrage charges. Last Work Order(WO. No.- DVC/Contract/BTPS/FUEL 1/C&M/Works and Service/00145 Dated 24/02/2021)for Rake unloading at Track Hopper of CHP,BTPS has expired on 28/02/2022 and new work order (WO No-DVC/Contract/ BTPS/ FUEL 1/C&M/Works and Service/00179 dated 28/02/22) for coal rake unloading has been awarded to M/S Vijay construction, Bokaro on 28/02/2022. The agency has started the work on 01/03/2022 with the help of ARC workers. But Agency did not complete the Contract Agreement with DVC on prescribed time frame also SDBG was not submitted by Firm. For this several times communications has been made to the Agency. On 01/04/2022 the agency has communicated for non-performing of work due to labour issue.However BTPS has repeatedly tried to convinced the agency for resumption of work through verbal and written communication. But the agency did not turned up till date.</p> <p>In the absence of Rake receiving and Rake Unloading, coal stock of BTPS is depleting fast. Rake receiving and unloading could not be held further, as coal intake through road mode only is not viable to cope up the demand of coal (7000 MT on daily basis) for smooth and uninterrupted running of BTPS A 500 MW plant, So here it is extreme urgency to go through a new rake unloading contract on urgency basis.</p>	DVC/Contract/BTPS/FUEL 1/C&M/Works and Service/00187 Dated 13/05/2022	17,74,500.00
