1	Head Quarter	"Engagement of outside agency for determination of percentage of Sulphur content on air-dried basis for 600 Nos. of imported coal samples.	Department of Fuel, Minerals and Metallurgical Engineering Indian Institute of Technology(ISM), Dhanbad. Dhanbad 826004, Jharkhand	SINGLE TENDER ENQUIRY (STE) BASIS	Damodar Valley Corporation has placed a procurement order for 1.0 MMT imported coal for supply of Imported coal on FOR destination basis at DVC power station under the Package "Procurement of 1.0 MMT of Imported coal on FOR Power Station Basis for DVC power plants" vide order No. DVC/CS-0011-010(7)-9-SU-LOA-552992 dated 12.01.2022. The supply of imported coal will likely to commence to different field formations of DVC very soon as per order. As per the Technical Specification Volume –III of the contract placed as mentioned above, sampling, preparation and testing of coal samples drawn at DVC's Power Station end has to be carried from IIAN (Independent Inspection Agency). Thus, OS&U has proposed for engaging a specialized laboratory for specified testing i.e. determination of percentage of Sulphur content on air-dried basis for 600 Nos. of imported coal samples (Sulphur testing method conforming to ASTM D4239-18). 2		Engagement of M/s CIMFR as Third-Party sampler for coal sampling (Collection & preparation of samples) for imported coal at Unloading Ends of DVC-TPSS	CISR-Central Institute of Mining and Fuel Research (CISR-CIMFR). Barwa Road, Dhanbad-826015, Jharkhand.	SINGLE TENDER ENQUIRY (STE) BASIS	In order to mitigate coal shortage at DVC, Corporation has accorded the proposal for the procurement of 2.235 million tonnes of imported coal. Coal supply is also to be commenced w.e.f Feb'22. Provision of un-loading end sampling by Independent Inspection Agency (IIA) is kept for assessment of quality of imported coal and payment will be released based on the analysed grade at TPS end. There is an arrangement of coal sampling for domestic coal at TPS ends. As per directive of MoC, GoI, CSIR-CIMFR has been engaged for FSA Coal for coal sampling at loading ends and tripartite agreement has also been executed amongst Coal Cos, Power utilities and CIMFR. As per the Bi-lateral agreement for engagement of empanelled agencies, cost of 3rd party coal sampling at unloading ends will be borne by Power utilities. It has been proposed by Fuel Dept., HQ to engage M/s CIMFR for coal sampling of Imported coal in line with the existing arrangement with CIMFR at TPS end for assessment of grade of coal received at TPS end as the payments to the agency are based on the analysed grades by IIA at unloading end.
