

**DETAILS OF CONTRACTS AWARDED ON SINGLE TENDER (OEM/OES/PAC/SS) BASIS ---- HQ**

PERIOD :SEPT., 2022.							
Sl. No.	Name of the Project	Details of Work	Name of the Awardee	Type or Nature of Single Tenders (OEM / OES/PAC/SS etc.)	Reason / Justification for awarding the work on Single Tender Basis	Work Order No. and Date	Value of Contract Awarded
		Procurement of two (02) nos. of Electric Vehicles Model No. TATA NEXON EV MAX XZ+ LUX 7.2 KW for official use of the Chairman, DVC at DVC Head Quarter, Kolkata as well as at DVC Regional Office, New	Tata Motors Passenger Vehicles Ltd	Tendering mode as Single Tender on Source Standardisation basis (vide no. 929 dtd. 03-08-2022 placed along e-office file) from M/s Tata Motors Passenger Vehicles Ltd	On instruction/request of the Ministries of Heavy Industries and Public Enterprises, Govt. of India, NIT dated 26/05/2022 ( attached at the bottom of the Note) was issued for procurement of two numbers of Electric Vehicles/Cars for official use of the Chairman of DVC at DVC Head Quarter, Kolkata and at DVC Regional Office, New Delhi to promote Electrical Mobility in the Country. NIT dated 26/05/22 was issued out side GeM on single tender source standardization basis to M/s Hyundai Motors India Limited, (SS oder was issued and offer was obtained). However, H yundai Kona Premium E-Vehicle was made available at GeM Portal by My /s. Hyundai Motors India Limited at about 12% lower offered Ex-showroom price. Then, the matter was discussed w i t h M/s. Hyundai Motors India Limited to reduce their offered price in line with GeM Price but M/s. Hyundai Motors India Limited expressed their inability to reduce the price further as price offered in GeM is special discounted rate as per GeM's GTC which can't be matched in other mode of tender. Hence, as per the recommendation of tender committee, the tender was not concluded & cancelled due to receiving the 12% highe r offered price than the GeM Price with a view to make procurement through GeM Portal. Subsequently, a Bid/NIT vide no.GEM/ 2022/B/ 2321184Dated: 05-07-2022 was floated. However, no bid received against the GeM NIT. On enquiry M/s. Hyundai Motors India Limited has informed that they couldn't able to participate in this tender as they are not fulfilled the MII (Make in India) Policy condition. The matter was put up at higher level and it was decided to explore the features of latest	CP/OSU-HQ/EVEH-TATA/2022-23 /553022 Dated:09 .09. 2022 For DVC HQ., Kolkata	20,67,786.00 inclusive of applicable GST (@5%) and all other statutory fees & charges as applicable

1	HQ	Delhi		<p>model of TATA NEXON EV launched in the end of May-22/June-22. S ubsequently, an office order vide no. HQ/CE/C&amp;M/SS Committee/059 dt. 03.08.2022 was issued to inform the existing SS committee constituted earlier vide office order dt. 06.05.2022 to review the features TATA NEXON EV MAX XZ+ LUX 7.2K W and if found suitable then recommend it in place of HYUNDAI KONA Premium Electric Vehicle for official use of the Chairman, DVC. Accordingly, the SS committee vide its MOM dt. 03.08.2022 has observed the features of TATA NEXON EV MAX XZ+ LUX 7.2K W almost similar to HYUNDAI KONA Premium Electric Vehicle and as TATA NEXON EV MAX XZ+ LUX 7.2K W is fulfilled the condition of Make in India Policy as its local content is more than 20% as required for qualifying as class 2 Local supplier, hence they have recommended to procure two numbers of Tata Nexon EV Max XZ+ Lux 7.2 KW directly from “Tata Motors Passenger Vehicles Ltd, 4 th Floor, Ahura Centre, 82, Mahakali caves Road, MIDC Andheri East, Mumbai-400093” for official use of the Chairman, DVC at DVC HQ, Kolkata as well as DVC Regional Office, New Delhi.</p>	<p>CP/OSU- HQ/EVEH- TATA/2022-23 /553023 Dated:09 .09. 2022 For DVC RD Office New Delhi.</p>	<p>20,51,450.00 inclusive of applicable GST (@5%) and all other statutory fees &amp; charges as applicable</p>

2	HQ	Procurement of 5931 Nos. Gold Coins for distribution to regular employees who are on roll of DVC and Bermo Mines as on 07-07-2022	India Government Mint, Kolkata,	Tendering mode as Single Tender on Public sector Undertakings/Central/State Govt. Departments	<p>DVC vide Resolution No.9239(Agenda Item No.25) held in its 660th Meeting dtd. 16-09-2022 had informed the Corporation with the following background: -</p> <p>i) M/s MMTC had previously successfully supplied gold coins to DVC during the celebration of 60 years of service of DVC. Accordingly, NIT was floated on Single Tender basis to M/s MMTC Limited. However, M/s MMTC Limited informed that currently they don't have any raw gold for fabrication of gold medallion and hence unable to take any corporate order.</p> <p>ii) To continue the purchase process, the Indian Government Mint, Kolkata (An Unit of GOI) was approached for supplying the required gold medallions. The Indian Government Mint, Kolkata is a Government agency which has recently ventured into gold coin manufacturing. In reference to DVC's request letter (ref. vide no. NIL dated 24-08-2022) for submitting their offer to supply gold medallions</p>	CP/SECT-HQ/GOLDCOIN /2022-23/553012 Dated:26.09.2022	<p>344786470.48 (all inclusive of charges and GST)</p> <p>However, the final price is subject to changes in Indian Government Mint, Kolkata declared gold price before the final delivery of the product. The payment will be made as per the payment terms and as per the NIT clause as discussed above in the tender committee observation for price.</p> <p>However, the transportation charges including transit insurance to the last point to be duly informed/communicated accordingly as per Delivery Schedule / Distribution as mentioned in the NIT and the same will be paid extra at actual.</p>

3	HQ	Integration of 'SAS and Bus bar protection scheme' on OEM/OES basis for 220KV & 33KV bay extension work at Kalyaneshwari Sub-station	M/s GE T&D India Limited	OEM / OES	<p>The Substation Automation System (SAS) and Bus-Bar differential protection system presently commissioned at Kalyaneshwari S/S under PSDF scheme are of M/s GE make.</p> <p>These are integrated systems with specific OEM topology, i.e., of M/s GE For BB protection scheme, both –Centralized/ main unit (CU) for overall integration and Peripheral Units ( PUs) for each bay (220KV) are required – hence compatibility &amp; completeness of the entire protection scheme shall be successfully implemented only if CU &amp; PUs are of same make (in this instance – CU is of M/s GE, hence PU shall also be of their make only).</p> <p>There are two 220KV Transformer bays for present bay extension scope of M/s A2Z that are required to be integrated under BB protection scheme. Moreover, in order to commission all of the 220KV &amp; 33KV bays and to ensure smooth augmentation and integration of SAS with existing GE make system for upcoming scope under M/s A2Z , SAS augmentation and integration is required to be executed through Original Equipment manufacturer &amp; supplier ,i.e., M/s GE for existing Kalyaneshwari S/S.</p>	DVC/Contract/Head Quarter/SPE/CM M/Works and Service/00036 dated 14.09.2022	Rs.1,09,81,980.00
4	HQ	Technical audit and Gap analysis for Raghunathpur Thermal Power Station (RTPS: 2X600MWUnit) of DVC	CENTRAL BOARD OF IRRIGATION AND POWER	Single ( Utilization of services of specialist/consultant/Experts)	RTPS is most recent plant of DVC. Its Unit#1 & 2 were declared COD on 31/03/2016. Despite being most recent unit of DVC performance parameters of RTPS are not encouraging. Although ESP ash evacuation is main problem, but Units are facing varying nature of problem time to time and most of time new problems are surfacing. So, CENTRAL BOARD OF IRRIGATION AND POWER was engaged on single tender basis to get technical audit of RTPS and for consolidating issues at a time such that all identified problems can be solved in parallel and will be able to achieve requisite performance parameters.
