

31st October 2022

Dear Colleagues,

Integrity and transparency in both personal and professional life is of utmost importance for all of us. These virtues come from an updated knowledge of policies & procedures combined with an unwavering commitment to values and ethics. Reinforcing these commitments through awareness and outreach programs is an important vehicle towards a corruption free country. In pursuance of these objectives, the Central Vigilance Commission (CVC) has decided to observe Vigilance Awareness Week from 31st October to 6th November 2022 involving all stakeholders across the country with the theme

"भ्रष्टाचार मुक्त भारत-विकसित भारत"
"Corruption free India for a developed Nation"

As a stakeholder, Damodar Valley Corporation will be observing Vigilance Awareness Week throughout the organization. This is an important opportunity to spread awareness about the various aspects of leading a corruption free life. Several events have been planned throughout the week where participation from all employees is solicited. We must also use this occasion to brainstorm for innovative ideas and promote adoption of technology to further improve our systems and processes. Let us make efforts at both the personal and professional level to make our country corruption free and make VAW-2022 successful.

(R.N. Singh)
Chairman
