

Vigilance Awareness Week-2023

Chief Vigilance Officer Message

Under the guidance and instruction of Central Vigilance Commission, this year Vigilance Awareness Week is being observed from 30th October 2023 to 05th November 2023. The theme for Vigilance Awareness Week-2023 is “भ्रष्टाचार का विरोध करें; राष्ट्र के प्रति समर्पित रहें” “Say no to corruption; commit to the Nation”

Every year Vigilance Awareness Week re-affirms our commitment to entrust transparency, integrity, probity and accountability as the topmost agenda in our public and professional lives. It raises public awareness towards the menace of corruption and gives momentum to the fight against corruption through collective participation from all the stakeholders of the organization.

Vigilance awareness is essential for upholding ethical standards and promoting a culture of honesty in various areas, including government, business and society at large.

In a move towards inculcating the true spirit of participative vigilance, as desired by the Commission, different activities are being taken-up in Damodar Valley Corporation (DVC) during three-month campaign from 16th August to 15th November 2023, as a prelude to Vigilance Awareness Week-2023.

During Vigilance Awareness Week-2023, various outreach activities like Awareness Gram Sabhas, Vendor Meets, Lectures/ Seminars, Walkathons, Slogan writing competitions, Quiz competitions, Drawing competition, Debate, etc are being organized across different projects of DVC to promote awareness amongst the different stakeholders of the organization.

On this occasion, I would like to convey my best wishes to all the stakeholders of DVC including its employees and urge them to celebrate the Vigilance Awareness Week-2023 in a befitting manner through active participation in different programs being organized.

Let us renew our commitment to ethics and transparency. Together, we can create a culture of integrity that safeguards our organizations and society from the evil of corruption. Stay honest, stay vigilant, stay aware to build a corruption free nation.

Let's come together and inculcate ourselves to adopt the theme of Vigilance Awareness Week - 2023 in true sense by means of “भ्रष्टाचार का विरोध करें; राष्ट्र के प्रति समर्पित रहें” “Say no to corruption; commit to the Nation”
